

# ThriveHub — Deployment & Use Guide

Helping Teachers Empower Every Learner

## Page description (350 chars)

ThriveHub is a teacher-friendly hub for inclusive practice. Explore clear categories, evidence-based strategies and live links to trusted Australian resources (NCCD, state departments, specialists). Search, like and save what works. Built for quick planning, classroom use and alignment with SA's education strategy.

See README.md for publishing steps. The app includes categories with strategies and live links to authoritative Australian resources.
